We now have a place for your old newspapers, magazines and paper products. The recycle dumpster is located in the parking lot East of the Wesley Fellowship Center. Placing your items in this bin will benefit the church financially.

The next blood drive  
**February 5th - 7:45AM-1:00PM**

Have a Heart... Love others, as Christ showed His love for us, by shedding His blood for our shortcomings, we should also give the gift of life. Your donation is greatly appreciated by the patients and their families you serve.

## Prayer Focus

Father God, our Provider, Jehovah Jireh, we thank You that we can rely upon You for all our needs. Your promises are forever and You always keep Your promises to us. We praise You with all our might.

We thank You for the faithful service of Pastor Doug Zipperer and his beautiful wife Suzanne. We pray that You will watch over them, placing a hedge of protection around them and their family. We pray that You would continue to fill them with a fresh touch from the Holy Spirit as they give so much of themselves to our congregation and community. Bless them in everyway.

We lift up Your missionaries to India, Matt and Blair Roelandts and their children, Addison, Xavier and Mallory. We pray for their efforts in homeschooling and adapting to the food, culture and climate of India. We pray that You would multiply the work of their hands as they open churches and teach Bible to the people of Jaipur. We pray for all the church planters on site in India as they seek to bring the gospel to many people.

We pray for Trinity Community Church and their pastor. We pray for their congregants as they travel on Keystone Road during this time of construction. May all the churches along this road remain strong and safe as they deal patiently with the many detours and burdens of these changes. Allow the opportunity for the members to reach out to the construction crews with the love of Christ.

In Jesus Name we pray, Amen
